

# Five Lines

A Greek and Roman game of chance

Aim: be the first player to move all your pieces from one Sacred Space to the other.

The middle line  
is called the  
Sacred Space

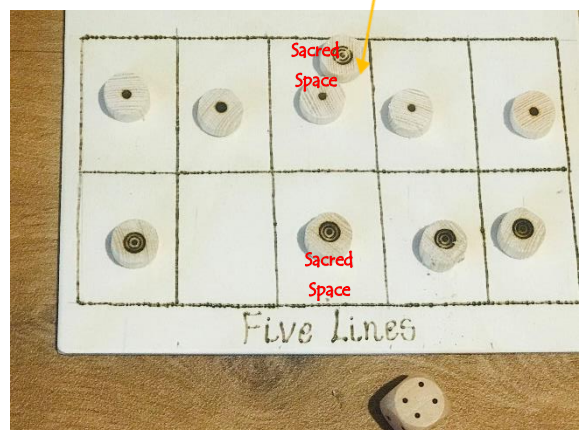

1) Set the board up like this.

2) Player 1 rolls the dice and moves **one** piece clockwise around the board.

Only one piece allowed in each space **APART FROM** the Sacred Space.  
Any number of pieces can land in the Sacred Space.

4) Player 2 rolls the dice and moves **one** piece clockwise around the board.

Miss a go if  
you cannot  
move!

5) Keep playing until you have moved all your pieces onto the Sacred Space on the opposite side of the board.

Winner!
