

How to make your Viking amulet

1. Sand all 4 corners of the metal until they are smooth and rounded.
2. Using the tool, carve your name *in runes* into the metal
3. Next, carve your special power *in runes* into the metal
4. Decorate with some Viking artwork (stylised horse/zoomorphic curls and twirls)
5. Add thread to make into a necklace. Wear it to keep you safe and bring you special powers!
