Girls - lunula

To change your name into a Roman name:

Girls' names usually end in 'a'.

Add 'a' or 'ia' on the end.

For example:

Lucy = Lucia

Katie = Katia

Steph = Stephina

How to make your Roman Lunula:

i) Sand all 4 corners of the metal until they are soft
ii) Carve your Roman name into the metal
iii) Decorate with stars, moons, curls & swirls
iv) Add the date in Roman numerals
v) Add thread to make into a necklace
vi) Wear your lunula to keep you safe until you get married!
